

## Glass vs e3 Porcelain Enamel: Two great writing surfaces—one costs significantly less.

VS

### > Frameless Glass

- 72”w x 48”h frameless, Magnetic  
Back Painted Starphire-tempered glass  
**\$ 1809.00** (accessories not included)
- 96”w x 48”h frameless, Magnetic  
Back Painted Starphire-tempered glass  
**\$ 2401.20** (accessories not included)

### > VIP Whiteboard - Anodized Aluminum Frame

- 72”w x 51.3”h Magnetic, e3 Porcelain Enamel  
**\$ 631.80** (accessories not included)
- 96”w x 51.3”h Magnetic, e3 Porcelain Enamel  
**\$ 826.20** (accessories not included)

Same great writing surface. But compare the costs.

The magnetic VIP Whiteboard in e3 Porcelain Enamel Steel exhibits all the same visual writing properties as the Magnetic Frameless Glassboard at roughly **one third** the cost.

So if cost is an issue, eisysVISUAL Whiteboards in VIP Series or elements Series are the answer. And they come with a 25 year warranty against delamination and discoloration. Remember, eisysVisual is the only company that offers the widest selection of the highest quality glass and porcelain writing surfaces.
