## customer satisfaction is our passion

every customer is unique and distinct  
attention to detail in design, construction and implementation  
expert installation services  
one-on-one workcenter training  
dedicated customer support  
eisysRefresh —product updates and on-going upgrade services

“eisys partnered with us in the design and product selection to address our specific needs. Their product design and desire to come on-site and help with our space assessment truly set them apart.”

Steve Shanaberger  
Director of Radiology  
Moses Cone Hospital

---

“With eisys workcenters, our radiologists will never again have to conform to the constraints of the workcenter, the work center will conform to the needs of the department.”

Donna Lynch  
Clinical Training Specialist  
Hoag Memorial Hospital

---

“I prefer eisys workcenters. They are extraordinarily well made and require almost zero maintenance. And the eisys team provides phenomenal service. We need to set an example by providing the best ergonomic work environments for our staff. For me it's almost a no-brainer to recommend eisys”

Gary Rose  
Service Manager,  
Radiological Engineering  
Middlesex (NY) Hospital
